This letter confirms that “Global service +” safely and successfully completed all contracts given below. “Global service+” was a contracted by MERCY CORPS Georgia under several projects:

- 1) Alliances Lesser Caucasus Programme in Kvemo Kartli (ALCP) funded by a Swiss Agency for Development and Cooperation Agency and implemented by Mercy Corps Georgia, during 2015-2016 worked together with the National Food Agency of Georgia on the new infrastructural project of the Animal Movement Route. “Global Service +” worked under this project to **Construct two Biosecurity Points for Sheep & Cattle and two Water Points on Existing Animal Movement Route in the part of Kvemo Kartli Region (Rustavi & Marneuli), Georgia.**
