

Recommendation Letter

Date: November, 04, 2016

To whom it may concern,

Parsons Government Services International has been using "GLOBAL SERVICE +" LDT for renovation and construction projects (Georgia Land Border Police K9 Facility Renovation (Lilo Center); Construction of two Headquarters buildings at Keda & Kasumlo sectors) and we confirm they fulfilled all obligations on time, on budget, with no deficiencies.

"GLOBAL SERVICE +" LDT has experience working on international projects and so are aware about western standards and requirements.

Sincerely,

Frane Rak
